

CONSTRUCTION WELL UNDERWAY—Construction of the Senior Citizens Center at Southwest Third and Avenue B is showing fine progress as volunteers do the major part of the work. James Whitten is supervisor and other labor is mostly volunteer. The used lumber was secured from the old Nazarene Church building. Many donations have been received to aid in the construction of the building, according to Mrs. Earl Brown and Mrs. T. C. Gregory.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

With the opening of school it is time for most clubs and organizations to get back into action for another year. And this is also the time for reporters and publicity chairmen to go to work in their efforts to let others know what their organization is doing. Sometime back the Hood County News published a column on what publicity chairmen should know to do a better job. Since it fits almost any community organization and most newspapers we are repeating it here.

A plain-talking woman called the other day and laid it right on the line.

"I'm the new publicity chairman of.....," she said, "And I want to know how to get a lot of stuff in the paper."

"It's Monday," she added, "and I figured you guys would have time to fill me in."

Now there's a gal who'll go far as a publicity chairman.

She did something so simple, so logical and so direct that almost nobody ever does it.

By making herself known and asking for the ground rules before she started, she made things easier for both of us.

And by picking a time when we weren't under pressure of deadline, she gave me a chance to give her a more thoughtful and detailed answer than I would have otherwise.

On the theory that other people might be interested in what we're looking for in the Hood County News, I thought I'd also tell you some of the things I told her.

Before she sends in information, I suggested that the woman put herself in our shoes.

We want to inform and entertain our readers.

So what is it her organization is doing that would be interesting to people other than the club's own members?

If the club is having a routine meeting and the members already know when and where it's going to be, there isn't much point in putting it in the paper.

On the other hand if Fidel Castro is the speaker and the public is invited, that's a different matter altogether.

By faithfully keeping us informed of her organization's activities, the woman can, indeed, get a lot of stuff in the paper in the course of a year.

But by coming up with an interesting and unusual idea, she could well hit the Page 1 jackpot.

Usually, a good idea is only top notch the first time around.

If somebody does something unusual and gets a lot of publicity,

ELECT OFFICERS—

Senior Citizens Report Progress On Building

A report of the progress being made on the Hamlin Senior Citizens building program, election of officers and a panel discussion program made up the agenda of the Thursday evening meeting of the Hamlin Chapter of American Association of Retired Persons.

After the covered dish supper, Mrs. T. C. Gregory, president, presided during the business meeting.

M. S. Johnson reported that the Senior Citizens Center is well under construction and much of the work is being donated by the elderly men. James Whitten is serving as supervisor and many volunteers are helping with the work.

Officers elected included Mrs. Cleo Perryman, president; Mrs. T. C. Gregory, vice president; Mrs. Fred Rosenbaum, secretary; Mrs. M. S. Johnson, treasurer; Mrs. Roy Hennington, assistant secretary and Mrs. Virgil Steele, assistant treasurer.

Mrs. Earl Brown was

moderator for the panel discussion on "The Good Age," written by Alex Comfort. The book puts emphasis on the elderly remaining active.

Mrs. Brown said, "The author has done much research on the aging process and urges older people to fight back against 'hogwash,' classification, put downs and rip offs."

Panel members who gave examples of famous people who remained active at the ages of 80, 90 and even 100, were Mrs. Virgil Steele, Mrs. Raleigh Bond, Mrs. Port Williams, Mrs. Roy Hennington and Miss Viola Avants.

Forty-nine members and the following guests were present: Mr. and Mrs. Bryant Conner, Mrs. Barney Smith, Mrs. Floyd Wallace, Mrs. Opal Goodgame and Cecil Avants.

Adult Education Classes to Meet Monday Evening

An organizational meeting for Adult Education classes will be held Monday, Sept. 12, at the high school building. The meeting will be from 7 to 9 p.m.

Those interested in additional information on the classes are urged to call 576-2459 after 4 p.m.

Aspermont—Square Dance lessons will begin Tuesday, Sept. 13, at 8 p.m. at the American Legion Hall with Leon Ivey of Munday as caller.

Homecoming Dates Are Announced

The Hamlin Students Association has announced that the annual homecoming activities will be held here Oct. 28 and 29, according to Sam Mack Hodges, president. Plans for this year's activities are now being made.

The Pipers will play the Haskell Indians this year in their annual homecoming game.

This year the associating will be urging more participation in the annual parade, Hodges said.

Pipers to Travel To Wylie Friday

The Pipers will travel to Wylie Friday night in quest of their second win of the season. They defeated the Stamford Bulldogs Friday night in their season opener, 14-12. The Bulldogs will also be trying for their second win as they defeated the Jim Ned Indians Friday, 13-6.

This will be the second meeting of these two teams and the first time for them to meet at Wylie. Last year the Pipers defeated a young

Wylie club, 47-2.

In other District 7-A action this week Rochester at Munday, Haskell open, Rule at Knox City, Roscoe at Rotan, Seymour at Crowell, and Paducah at Matador.

The district opened the season last week with all eight teams playing and they won four, lost three and tied one. Picking up wins were Hamlin 14, Stamford 12; Rotan 14, Spur 0; Knox City 42, Rochester 0; and Crowell 18, Quanah 6. Haskell lost to Anson, 27-14; Aspermont lost to Rule, 21-0; and Paducah lost to Childress, 40-8. Seymour came from behind to tie Munday, 13-13.

Coach Bill Grissom was well pleased with the performance of his youngsters last week against the Bulldogs. He was especially pleased with his backup quarterback Todd Marshall who came into the game for the injured Drew Tomlinson and engineered the winning touchdown and conversion.

Coach Grissom hopes to have his team at full strength this week with runningback Ronald Brown recovered from his injured foot. Runningback Jimmie Gibson, who missed the Stamford game, has been ruled ineligible for the season by

the UIL's transfer rule and is out of the lineup for the season.

Scouting reports on the Wylie Bulldogs indicate that they are good big team with all of the front linemen returning from last year.

The starting backfield for the Bulldogs will be Tommy Gipson, 160-pound senior at quarterback; Lance Wolfe, 205-pound junior at fullback; Wesley Marsh, 180-pound junior at halfback; and Ronald Clark, 168-pound junior at the other halfback position.

In the line it will be Lee Allen, 200-pound junior at center; Mark Morrow, 175-pound junior at one guard and Terry Timez, 175-pound senior at the other guard position; Toney Keefer, 215-pound junior at one tackle and Tom DeBerry, 200-pound senior at the other tackle; Tommy Casey, 150-pound senior at tight end; and Joey Light, 160-pound senior at split end.

Speaker Sunday

The Rev. Darrell Estill, district youth director of Dallas, will be the guest speaker at Hamlin Four-square Gospel Church Sunday at 6:30 p.m.

Midwest Electric Sets Annual Meeting Today

The Annual Meeting of the Midwest Electric Co-op will be held in the Scurry County Coliseum in Snyder tonight (Thursday). Registration will get underway at 6 p.m. and a barbecue dinner will be served at 7.

The dinner will be catered by Underwoods of Abilene and entertainment will be furnished by A. Z. Decker and the Hot Timers of Abilene.

Three directors will be elected during the annual business meeting. Seeking place five are H. H. Cary and Grady Moore, seeking place

six are James Nettleton and Dennis Dooley, and vying for place seven are James Cave and Johnny Edmondson.

Prizes will be given throughout the evening and all members are urged to attend.

The Eastside Church of Christ will hold its annual Fellowship and Dinner Sunday. The morning worship service will be at 10:30 and dinner will be served at 1:30. Preaching and singing will begin at 3. The public is invited.

MAILING QUESTIONNAIRE—

School to Poll Sample On Goals

The Hamlin Public Schools expect to start mailing questionnaires to a sample of local citizens this next week, according to Douglas Cook. The questionnaires are part of the school's accreditation program.

The questionnaires are an effort on the part of the school district to provide an opportunity for local citizens to become involved in the process and to express their opinions regarding the present performance of the schools and its goals, Cook said.

"If you are one of those who receive a questionnaire, we ask you to promptly reply to

the questions honestly and return it to the school," Cook said. "It is important that you return this questionnaire, as your opinion is vital to the education of our children and will help provide the direction our schools will take in the coming years," he added.

The Hamlin School District faculty and staff has set 16 major goals for the district that will be a part of this questionnaire. The faculty and staff spent two and one-half days of intensive development and self-study during in-service training in arriving at these goals.

These goals depict in detail

the aims of the school district in its efforts to provide the best educational experiences for the students.

The Texas State Board of Education is charged under Texas Law with the responsibility for establishing a system for the accreditation of schools in Texas, Cook noted. The law stipulates that programs and services in schools should be suitable and appropriate to the educational needs of the students served, he said.

As a result, local school districts are increasingly charged with responsible control, and with showing

accountability for the effectiveness of educational programming, and broad-based community support and commitment to the schools and their educational efforts, he said.

The questionnaire is only one part of the five-year program of accreditation for the local district. It is through this questionnaire that the school hopes to direct the school in the direction to meet the needs of the local citizens.

The survey or questionnaire will attempt to see if the goals as outlined by the teachers and staff are the same as the goals of the local citizens.

GO THROUGH OBSTACLE COURSE—Hamlin fifth grade students go through the new obstacle course at the elementary school. The course is part of a new program for students at all levels at elementary, kindergarten through fifth grade. It is a structured physical education program that is designed to give every child a better chance at physical development, according to Larry Butler, principal. He said that research

has proved that hand-eye coordination, physical movement and development is essential for good mental development and a child's ability to read. Each day all of the elementary children by classes go through the course that has been developed on the elementary playground. A teacher or coach supervise all of the children and assist them as needed.

THE HAMLIN HERALD, HAMLIN, TEXAS, 79520

TEL Class Holds Annual Pot Luck Dinner Thursday

Aspermont—The annual 'Pot Luck' dinner was held Thursday at First Baptist Church by members of TEL Sunday School Class. Class members and their guests met in Fellowship Hall. Tables were covered with white cloths and decorated with vases of pink bachelor's buttons.

Hostesses were Mmes. W. E. Driver, Jones E. V. Smith and Brooks Ellison.

Mrs. Bill Dunwoody gave the prayer of thanks. Mrs. Vernon Jones, class teacher, presented the devotional based on scripture taken from Romans.

Others attending were Mmes. Charlie Bryson, George Kenady Sr., Mark Luttrall, Pete Shadle, B. A. Cumbie Sr., Allie Betcher, Fannie Clark and Lee Vaughan.

Visitors were Mmes. Colie Gilley, Oliver Penrod, Pete Sherrod, Charles Gibson and Roy Allen.

Aspermont TGO To Meet Tuesday

The Aspermont Things Going On (TGO) Club will meet Tuesday, Sept. 13, at 7 p.m. for a business meeting and salad supper.

Mrs. Don Foster, president, will preside.

Mrs. Foster reminds the public that the club's flea market is open every Wednesday from 12 to 5 p.m.

Couple Attends Wedding of Son

Aspermont—Mr. and Mrs. Arvil McCoy Jr., attended the wedding of their son, Arvil McCoy III, and Betty Catherine Nance Saturday, Aug. 27, at the First United Methodist Church in Bishop. The couple established residence at 1100 St. Carroll, No. 215, in Kingsville, following a wedding trip to Padre Island.

Friends Class Elects Officers

The First Baptist Church Friends Sunday School class met Aug. 30 in the home of Mrs. J. E. McCoy Jr. for election of officers.

The prayer was given by Mrs. Clarence Butler, class teacher. Mrs. McCoy gave the devotional on "Beattitudes for the Housewife."

New officers elected were Mrs. J. E. McCoy, outreach leader; Mrs. V. M. Wallace, assistant outreach leader; Mrs. Herman Sharer, secretary and treasurer; Mrs. Charles Pearce, assistant secretary, and Mmes. Wallace, Elbert Payne, and Sharer, group leaders. Associate leaders will be elected later. Mrs. Marvin Carlton attended also.

Refreshments were served.

ON TV TODAY—Pat Ward, a monthly guest on the Natalee Powers Show, KRBC-TV, at 12:15 p.m. will be appearing today (Thursday). She will show several items of hand painting on glass and demonstrate several forms of this type of art. Here, she shows a framed three dimensional scene. On the table is a painting on a mirror which gives a "stained glass effect," she said.

Rebekah Class Salad Luncheon Held Wednesday

Rebekah Sunday School Class of First Baptist Church met in Fellowship Hall at 11:30 a.m. Wednesday, Aug. 31, for a salad luncheon.

Mrs. Oran Taylor, teacher, opened with prayer. Mrs. D. O. Waymire, outreach leader, presided.

Titles of songs were used by Mrs. E. A. Hewitt, who installed the following officers: Mrs. Taylor, teacher; Mary Holmes assistant; Mrs. Waymire, outreach leader; Ruth Rosenbaum, assistant; Mrs. Travis Hubbard, treasurer; Mae Young, calendar girl; Lurline Young, secretary; Debbie Harrell, assistant; Lela Lain, reporter; Dicie Rodgers, song leader; and Vera Baker, pianist.

Group leaders are Mrs. Young, Ruby Perryman, Esther Meyner and Hettie Ford.

Ruby Waggoner was also present.

Bridge Winners

Winners in the Tuesday evening meeting of Hamlin Duplicate Bridge Club were Mrs. Jack Kimball and Mrs. Harvey Elkins, first; Dale Lain and Loretta Moore, second; and Mrs. Blue Womack and Mrs. Joan Boaz, both of Anson, third.

Debbie Baker of Sylvester was presented a certificate upon completion of technical office training at Texas State Technical Institute in Sweetwater. She was a member of the largest graduating class in the history of the Sweetwater institute.

Garden Club To Meet Sept. 14 In Hymer Home

The Hamlin Garden Club will meet in the home of Mr. Joe Don Hymer Wednesday, Sept. 14, at 4 p.m. The program will be on fall flower arranging.

Anyone interested in becoming a member is welcomed and members are urged to bring a guest.

Coffee and cookies will be served.

Yards of the month for the summer were: F. E. Turner, 810 S.E. Ave. A and J. D. Wyatt, 213 N. W. Ave. H.

Mr. and Mrs. Joe Zapata of Sylvester are parents of a son, Jessie Joe, 7 lbs. 11 oz., born Aug. 30 at 8:50 a.m. Other children are Jamie Elizabeth, 5, Delores, 3, and Martha, 2. Maternal grandparents are Mr. and Mrs. Gilbert Limones of Sylvester.

Mr. and Mrs. Felipe P. Carrillo of Rotan are parents of a girl, Melissa, 7 lbs. 7 oz., born Aug. 26 at 11:35 p.m. Other children are Sylvia, 19, Adella, 17, Joann, 15, Felix, 14, David, 11, Pat, 10, Bobby, 9, Cathy, 7, Lorie, 4, and James, 3. Paternal grandmother is Mrs. Epina Carrillo of Snyder.

Mr. and Mrs. Charles Wayne Turner are the parents of a girl, Teresa Renee, 6 lbs., 11 oz., born at 9:21 a.m. Aug. 31 in Stamford. Grandparents are Mr. and Mrs. Calvin Laird and Mr. and Mrs. J. W. Turner of Hamlin. Great-grandparents are Felton West of Hamlin and Mr. and Mrs. Travis Hale of Hamlin and Mrs. Helen Hancock of Stamford and Mr. and Mrs. Frank Laird of Winters.

Favorite Recipes

by Barbara Craig

With microwave cookery, a subject no longer on the "foods of the future" list, many housewives are finding this method of cooking not only makes meal preparation much quicker but can vary menu planning.

Microwave oven sales have dramatically increased since 1970, when 40 thousand units were sold. Units of microwave ovens sold in 1977 totaled 2,000,000 (including units sold commercially).

It is estimated that about 4 per cent of the households in the United States currently own a microwave oven. The microwave industry, however, is anticipating unit sales will reach 4 million units by 1980.

Who is a microwave consumer? According to Leo Shapiro and Associates, a research company studying and monitoring the growth of microwave cooking:

1. 40 percent are purchased by families with household income of less than \$15,000.
2. More than 50 per cent of the microwave ovens are purchased by families with two wage earners.
3. More than 30 per cent of the customers are under 35 years of age.

Just this weekend, while spending the weekend in San Antonio with two of our children, we went to the Market Place during a three-day El Mercado Fiesta. Many booths were set up outside of the main building and all types of food were being offered for sale. The methods used for cooking included barbecue grills, electric grills and skillets, hot plates, roaster type ovens and one microwave oven.

At one booth where sausages were served wrapped in flour tortillas, the sausage was grilled in a huge barrel grill, and the tortillas—you guessed it—were heated in a microwave oven. (The man said 45 seconds for a stack of eight tortillas.) The wrapped sausage was then stored in a roaster. When sold, the buyer's choice of two sauces was poured over the sausage.

While on the subject of microwave, these two recipes have been tried and approved at our house. The Mexicali Bake was tried last week and I was pleasantly surprised with the ease and speed with which it could be prepared. (I used tomato sauce instead of tomato paste and it was rather liquid, but still tasty.)

MEXICALI BAKE

Beef Base:
1½ lb. ground beef
1 small onion, sliced
1 garlic clove, minced
1 12 oz. can tomato paste
1 4 oz. can chopped green chilies
1 T. sugar
2 t. chili powder
1½ t. salt
¼ t. pepper
Corn Bread Topping:
¾ c. enriched corn meal
½ c. all purpose flour
½ t. baking powder

¾ t. salt
¾ c. milk
1 egg
2 T. vegetable oil

For beef base, combine meat, onion and garlic in 2½-qt. casserole. Cook in microwave oven about 6 minutes, stirring twice; drain. Add remaining ingredients; continue cooking in microwave oven about 2 minutes.

For corn bread topping, combine dry ingredients. Add combined milk, egg and oil; mix just until dry ingredients are moistened. Spread over spicy meat base. Cook in microwave oven 8 to 9 minutes, rotating dish ¼ turn 3 times. Makes 6 to 8 servings.

Another quick favorite is for Reuben Sandwiches. We use corned beef, and when possible fresh sauerkraut. The recipe makes two sandwiches.

REUBEN SANDWICHES

¾ lb. thinly sliced pastrami (or ham, bologna, corned beef)
one-third c. drained sauerkraut
4 slices rye bread (or crusty pumpernickel)
1 T. mayonnaise
1 t. pickle relish, drained
1 t. chili sauce
2 slices Swiss cheese
Divide the sliced meat and sauerkraut on 2 slices of bread. Mix mayonnaise, pickle relish and chili sauce, spread on sauerkraut. Top with slice of Swiss cheese, cover with bread.

Arrange on individual plates and microwave about 2 minutes. (You may wish to turn once during this time.) For baking in conventional range: Arrange sandwiches on baking pan. Bake at 450 degrees about 5 minutes until cheese melts. Transfer to serving dishes.

We invite our readers to submit recipes for this column.

News should be called in Monday from 1 to 5 p.m. 989-2822. The Aspermont Star.

Hamlin Art Club To Meet Monday To Open Year

Hamlin Art Club will hold the first meeting for the new year Monday Sept. 12 at Art Studio and Gallery 434 South Central.

The painting session starts at 9:30 a.m. and the business meeting will be held at 11.

All members and those wishing to join are urged to be present in order to make plans for the year.

Anyone interested in painting in any media will benefit by joining the club according to a club member. Dues are \$5 per year. Membership entitles one to attend all demonstrations and monthly paint sessions free of charge and also exhibit in the spring art show.

The Art Club organized three years ago with 13 members. This past year there were 40 members. New members are welcome.

Club members wishing to place pictures in the windows of the McDonald Building should take them to the club meeting.

Weekend events should be reported by noon Monday.

FROM THE FILES . .

FIFTY YEARS AGO (Sept. 2, 1927)

Just as the Herald is going to press we get very reliable but unofficial information that the Katy management will restore our old title schedule in a very few days. In fact, we understand it will take place this next Sunday.

No better news could be heard in this part of the state than this. For years the people of a great section out here have been building up their on the good service of the Katy. Katy service is recognized as par excellent all over Texas, and when the recent change of schedule took place, we who love the accessibility that the road gives the towns of this section, were greatly puzzled. We really believed that the morning trains would be restored.

Let this be remembered: With a morning train Hamlin has her daily papers about as quickly as if we lived two hundred miles farther east. The same is true of express, out of all the town east of us. A telegram at four o'clock p.m. from Hamlin to Dallas or any of the other towns will deliver what you want into Hamlin the next morning. That is good service. We shall get it back in a few days and the Herald takes the liberty to express the appreciation of all our people for the consideration the Katy is giving this matter.

The Hamlin Cotton Oil Mill is doing some pretty cooperative advertising by sending to the County Supt. 20,000 best grade book covers for free distribution. These covers carry valuable information to the boys and girls of this section and both child and parent will be benefitted by the use of these covers.

August 28th through September 3rd has been designated by the Boy Scouts of the Chisholm Trail Area Council as Good Turn Week and each scout and scoutmaster and official will specialize on good turns during this week.

Each patrol leader and scoutmaster will turn their local papers a copy of report of the good turns done during the week with a copy of same report sent to Executive Shunway at Abilene.

TWENTY YEARS AGO (August 29, 1957)

Probably between 500 and 600 people of the Hamlin territory, as well as visitors from several other points, Sunday afternoon gave the enlarged Hamlin Memorial Hospital the "look over." More than 350 guests actually registered, but many visited the institution without signing the register, it was reported.

The occasion was the formal open house for the new \$60,000 east wing addition to the hospital recently completed, which houses an enlarged reception room and administrative offices, new doctors' offices and consultation rooms, x-ray and laboratory quarters, operating rooms and maternity rooms.

Visitors were taken on a tour of the rearranged hospital by members of civic and women's clubs.

Mrs. C. E. Gregory, Mrs. John Scarborough and wives of directors of the hospital association were in general charge of the open house. Assignments of the women to various sections of the hospital to guide visitors through the buildings was Mrs. Wilson Brannon of the Fifty-Two Study Club.

More than 1,000 young people of the Hamlin community, plus scores from other communities who come by bus or transfer, will begin their trek back to school classes Tuesday morning as the 1957-58 school year officially gets underway.

Superintendent of Schools C. F. Cook declared this week that everything is in readiness for an auspicious opening of what looks like a promising, successful session of school.

Six new teachers are members of the faculties of Hamlin Schools, which get underway next week, according to Superintendent Cook.

In announcing the complete faculty lists for the new school year, Superintendent Cook also presented the organization of the Hamlin Consolidated Independent School Board.

Texas motorists will face a critical period in driving this weekend as thousands of persons take to the highways for trips on the Labor Day week-end.

Texas Department of Public Safety predicts that 33 persons will die in traffic accidents in Texas during the 72-hour period extending from 12:01 a.m. August 31 through 11:59 p.m. September 2.

TEN YEARS AGO (August 31, 1967)

Russell Willingham will receive the God and Country award Sunday morning at the First Methodist Church. He is the second boy in the Hamlin's Boy Scout Troop 43 to receive the honor.

Russell, 15-year-old son of Mr. and Mrs. C. W. Willingham, is a sophomore in Hamlin High School. He has worked toward the award for three years in a number of church activities. Rev. Cecil Hardaway, pastor, will make the presentation.

The Pied Piper Booster Club will open the football season here Friday night with an ice cream supper preceding the Piper scrimmage with Munday, according to Bob Craig, president. The ice cream will also be served to the football boys after the scrimmages.

All Piper fans are urged to be on hand for the ice cream and for the scrimmage. This will be the opening drive for memberships in the Booster Club with Floyd Clifton, Secretary-Treasurer in charge of the drive. Membership in the Club this year will be \$5.00 which includes the whole family.

NEWS AND VIEWS . .

And What Have You

--Continued from Page One

some people tend to copy it and then claim you don't like them if you don't give their organization equal space.

Same thing is true of annual functions that go on everywhere.

Often we do more stories on one organization, league or team or whatever than another just because they keep us better informed about what's going on. It's not because we have a thing against the rest.

And we work much better if your stories and suggestions for stories are in writing.

We handle hundreds of items and there are too many to take down each one by telephone.

Besides, putting it in writing reduces the chance of error.

Thinking ahead is important, too.

Tell us about a planned upcoming activity as soon as possible. Deadlines for news and advertising is noon Tuesday for Thursdays' issue. By turning in your copy well ahead of the deadline we'll be able to spend more time on it and do a better, more complete job.

Too many times, a publicity chairman is unhappy because we can't send a reporter to an event that has been planned for months, but we've only been told about an hour in advance.

Your publicity releases don't have to be fancy, but they must be accurate.

Your item should be double-checked. And make sure June 28 is a Tuesday. Keep your item as short and simple as possible, include your name and phone number.

If you have a good story, we're as anxious to get it in print as you are to see it there.

If you have an idea and it doesn't seem to ring a bell with us, don't get discouraged. Try again.

We are not always right in our evaluations of stories, but hopefully we spot the promising ones most of the time.

We also have club reporting forms, free for the asking.

My guess is that publicity chairman who follow these suggestions could greatly increase the amount of space their organization gets in the paper.

And we'd be a better newspaper because of it.

for a Better Tomorrow

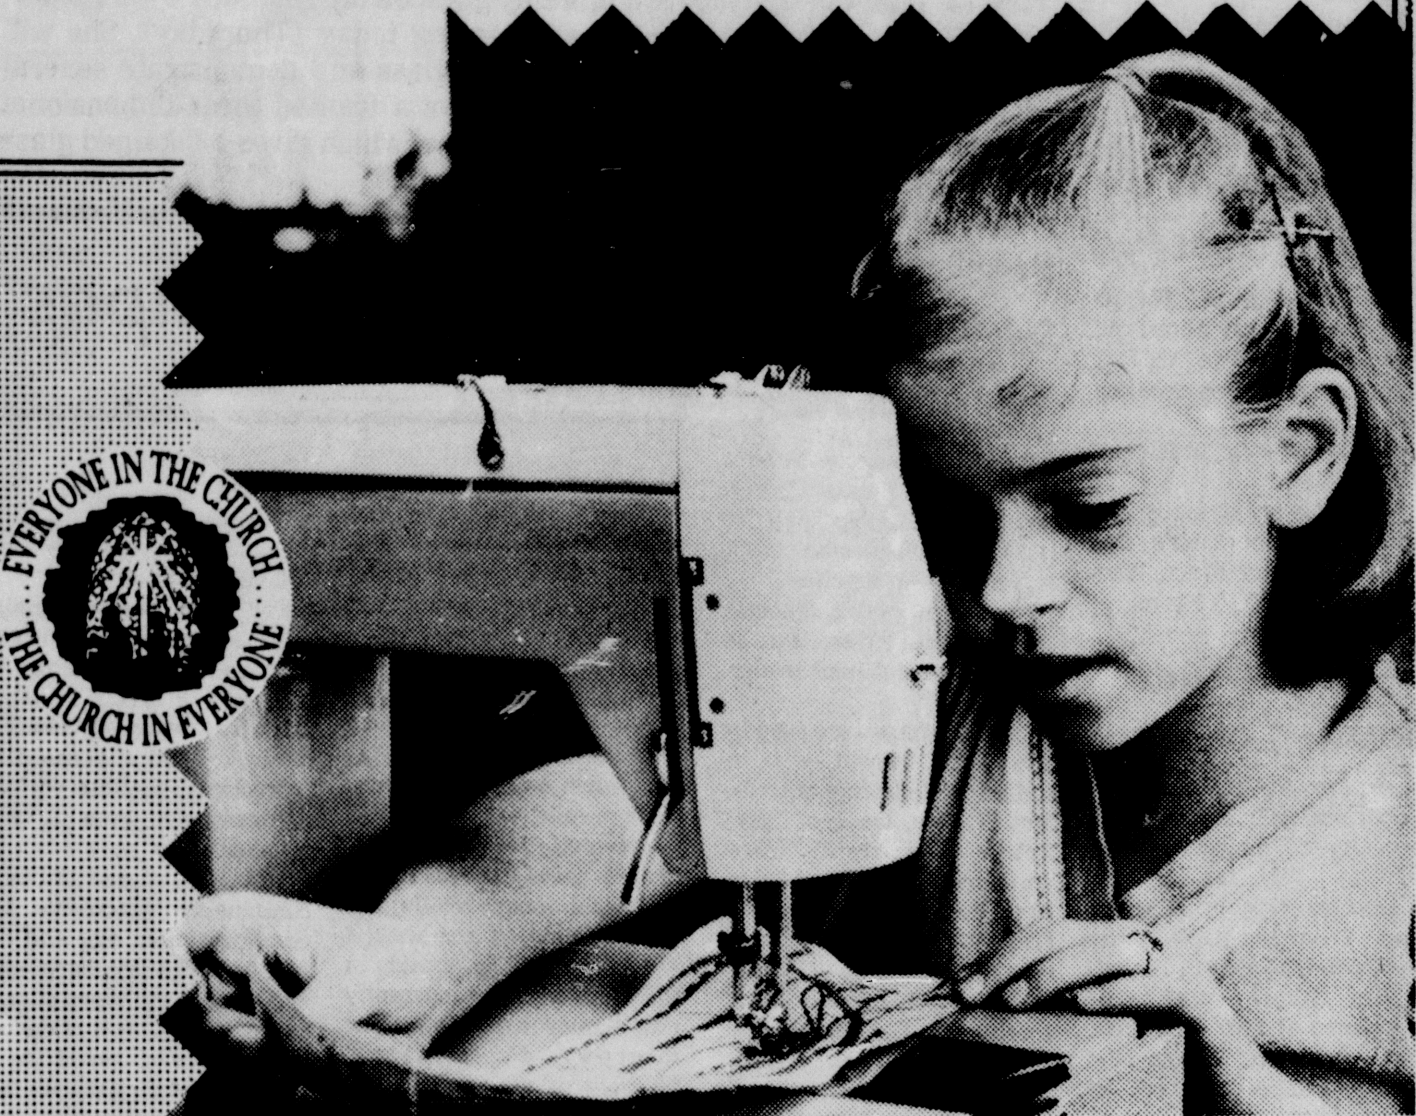

Working, learning to sew . . . Now, something simple is being prepared and soon her own dresses, and in the future, clothing for her own family. Training is important in the lives of our children.

Spiritual training is a must in the lives of our young ones.

"Train up a child in the way he should go; and when he is old, he will not depart from it."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AT GET-AQUAINTED TEA—Wives of the Aspermont coaching staff, hostesses for a get-acquainted tea in the school cafeteria Friday afternoon, are from left, Darla McCannies, La Dell Garrett, Juretta Ledford, Carolyn Slaughter and Katrina Robinson. Honored guests were mothers of the football players, cheerleaders and twirlers. Other guests were women faculty members, wives of school board members and interested boosters. The serving table was covered with a red cloth and decorated with a football motif using the school colors of red, black and white. Red punch and assorted cookies were served from crystal appointments. Each guest received a red hornet pin, costume jewelry fashioned by the coaches' wives.

Aspermont Man Killed In Wreck Near Swenson

Aspermont—Alton B. Parker Jr., 45, of Aspermont died in a one-truck turnover at 1 a.m. Monday about seven miles west of Swenson on State Highway 183.

Graveside services were held at 4 p.m. Tuesday at Double Mountain Cemetery, directed by McCoy Funeral Home.

The Rev. James Woods, pastor of Central Baptist Church in Aspermont, officiated.

Parker's overturned truck was found by Joe Kidd about 7 a.m. Monday in a cotton field. Stonewall County Sheriff Marvin Crawford said that Parker apparently lost control of his truck, swerved off the road and then pulled it back across the highway, rolling it at least three times before landing in the cotton field. He was pronounced dead at the scene.

Born Dec. 16, 1932, in California, Mr. Parker had lived in Aspermont most of his life. He married Thelma Rogers March 2, 1960, in Jayton.

She died in June 1976.

Survivors include his mother, Nola Marie of Peacock; a son Roger Lee of Aspermont; three daughters, Mrs. Michael Brantley of Sweetwater, Mrs. Gary Cowan and Linda Joyce, both of Aspermont; two sisters, Gayle Craft of Plains and Sue Johnson of Abilene; a brother, Harold of Clairemont; several nieces and nephews; and a grandchild.

Pallbearers were Hugh Worthington, Doyle Rash, Gayle Craft and Jake Hall.

Mr. and Mrs. Carl W. Duncan visited during the weekend with her brothers W. H. and Tillman Taylor in Carlsbad, N. M., and with a nephew and his family, Mr. and Mrs. T. D. Taylor, who were there from Monroe, Mich.

Guests in the home of Mr. and Mrs. Eugene McDowell in Aspermont were Mrs. Royce Stanaland, Kendall, Christy and Karina.

Aspermont Hornets Fall to Rule, 21-0

Aspermont—Rule fullback Ronnie Oliver led the Bobcats to a 21-0 victory over the Aspermont Hornets at Rule Friday night to open the 1977 season. The Bobcats scored in each of the first three quarters to shut out the Hornets.

The Hornets will take this week off and then host Jayton the following Friday.

The Hornets were hurt by four turnovers during the game, losing the ball three times on fumbles and once on a pass interception. The Hornets could manage only 89 yards in total offense for the night.

Rule tailback Leonard Menchaca began the scoring in the first period, plunging over from a yard out to cap a 65-yard drive. Oliver scored his first touchdown with 3:30 left in the half. He scored from nine yards out to complete a 60-yard drive. Quarterback Tony Carter passed to end Hector Puebla for the two points.

Oliver scored the final Bobcat score in the third period on a 25-yard dive through the middle. Jerry Tumlinson kicked the point after.

First downs: Aspermont 8, Rule 10; rushing: Aspermont 89, Rule 165; passing: Aspermont 0, Rule 38.

Aspermont Junior High Opens With Jayton Tonight

Aspermont—The Aspermont Junior High teams will open their season here tonight (Thursday) with Jayton with the first game starting at 5 p.m.

Mrs. H. H. Shadle spent the weekend in the home of her daughter in Hamlin, Mr. and Mrs. Ernest Jenkins. Judy Jenkins of Dallas was also a visitor in her parent's home.

Aspermont Volunteers Help Raise \$886 for MD Telethon

Aspermont—Elmer Ward, coordinator of the Stonewall County phone center which was in operation Labor Day for the Jerry Lewis Telethon, reports that \$886 was raised in the county for "Jerry and his kids."

Volunteers manned the center.

Ward said, "I'd like to thank all the people in Stonewall County who helped make this year's Telethon a success. Thanks to all of those who gave of their time on a holiday to answer the phone during the telethon."

He said "A special thanks goes to the students of the Aspermont and Old Glory schools who responded to my call for help in circulating the Telethon leaflets throughout the county. Without your help, this could not have been done. . . you were the spark."

"Thanks to the ladies of the Phoenix Club," he added, "who circulated the posters throughout the community and to the many young people who went out and collected donations."

Yesteryears. . .

FIFTY YEARS AGO
(Sept. 8, 1927)

Mesdames W. H. Link, Abe Rash, and Drake chaperoned a crowd of young folks to "Stinking Creek" for a swim Tuesday afternoon. Those enjoying this occasion were: Opal Chennault, LaVerne Goodloe, Edythe Thomas, Emma Ruth Tash, Celestia Brannen, Mary Grindstaff, Nadine Huling and Emelyne Link. Raymond Evans furnished a car for the expedition.

Mrs. W. B. Bingham and daughter, Emma Dean, went to Stamford Wednesday to see Bill, who was taken to the Sanitarium there last Saturday. The doctors have found that he is suffering from an infection of the throat but think that it is not serious.

Several Aspermont Camp Fire Girls took part in the public council fire held in Stamford on August 30, and remained for the slumber (less) party which was staged by the Stamford Camp Fire Girls at the home of Dr. and Mrs. Dallas Southard.

On Saturday afternoon, August 27, 1927, at the home of her parents, Mr. and Mrs. R. H. Ottmers, Virginia Ottmers with a few of her friends celebrated her eighth birthday.

Interesting games on the lawn formed merry entertainment for the guests.

Delicious ice cream and cake was served to the following: Misses Ruda and Mildred Hanke, Leona and Edna Hecht, Jettye and Mattie Evans, Delta Montgomery, Virginia Williams, and Virginia Ottmers; Masters Bobbie Wylie and Lawrence Clyde Ottmers.

TWENTY YEARS AGO
(Sept. 5, 1957)

The Aspermont Hornets will unfold their 1957 football warfare on this Friday evening when they meet the Trent Gorrillas at Trent.

Coach Bob Jameson, who is beginning his first year as coach for the Hornets, has been working out for the past several weeks with some 19 boys on the squad, with seven of these being returning lettermen.

A tentative line-up for Friday's game is as follows:

Ivy Swink, left end; James Dalby, left tackle; Joe Galvan, left guard; Donald Scott, or Bill Martin, center; Butch Smith, right guard; H. W. Swink, right tackle; Ne-J

NEWS FROM Around Town

By MRS. BROOKS ELLISON
989-3358

Visitors in the home of Mr. and Mrs. Cammie McNutt for the weekend were her sisters, Mrs. Edith Burgess and Mrs. W. H. Fisher, both of Lubbock. Mrs. McNutt, owner of Bessie's Flower Shop, was in Stonewall Memorial Hospital for treatment of a broken arm suffered while working at the shop.

Randy Jones of Spearman has been visiting his grandparents, Mr. and Mrs. Charles Gibson and grandfather, Joe Jones. Mrs. Joe Raymond Jones of Waco also visited her parents, the Gibsons. Mr. Gibson is a resident of Gibson nursing home after a long stay in the hospital.

Mr. and Mrs. Ernest Kolb of Rotan visited with Mrs. Thelma Metcalf Tuesday.

Weekend visitors in the home of Mrs. Dewey Crft were her daughter and husband, Mr. and Mrs. Bill Lentz, Dane and David of Grassland.

Mrs. Jettie Bess Coffee of Vernon and sister, Mrs. Lavel Morris of Oklahoma City, Okla., visited last week with Mr. and Mrs. Fred Dalby, Mr. and Mrs. Charles Gibson and other friends.

Sunday visitors in the home of Mrs. Brooks Ellison were her grandson, Delmon Ellison Jr., of Seagraves and a friend, Georgia Ann Massey of Abilene.

Mr. and Mrs. Jack McGough and their son, Boyce Lee, have returned home after touring several states. Highlights of the trip included Sequoia National Park and Yosemite National Park in California and then on to Washington, Utah, Yellowstone National Park, the Great Lakes and the Mormon Temple.

Visiting in the home of Mr. and Mrs. Collie Gillie were their daughter and husband, Dr. and Mrs. Dewey Rallsback and their son Mike and other Texas Tech students, Verna Stevens, Semi Lewis and Dale Evans of Dallas.

Mrs. Roger Mullis and daughter, Mrs. Pate Carleson, of Clear Lake, Calif., have returned to their home after visiting here in the homes of Mrs. Mullis' brother and wife, Mr. and Mrs. Ward Gardner, and nephew and wife, Mr. and Mrs. Lee Gardner.

Mr. and Mrs. Jack Rallsback, their daughter and husband, Mr. and Mrs. Eddie Worth, all of Iowa Park, spent the weekend in the home of Mrs. Roy Allen.

Mrs. Dickey Pack of Hawley, daughter of Mr. and Mrs. Ray Gillie of Swenson, is a patient in West Texas Medical Hospital in Abilene.

Mrs. Pat Hoy of Swenson is a patient in Hendrick Medical Center in Abilene.

Saturday visitors in the home of Mrs. Frank Hon were her sisters-in-law and their husbands, Mr. and Mrs. Eugene Lenderman of Silver City, N. M., and Mr. and Mrs. Charles Whitehead of Tatum, N. M.

Five generations visited Sunday in the home of Mr. and Mrs. Mark Luttrall. The guests included Mr. and Mrs. J. B. Lee, Mr. and Mrs. Joe Overby, Mr. and Mrs. Vic Overby and son of Vernon, Mrs. Judy Stubblefield and Jessica, Mrs. J. V. Rash.

Terry Myers, Kevin Shadle and Joe Kenady, all students at Angelo State University, were weekend visitors with their parents.

Mrs. Belle Jasper Now in Houston

Aspermont—Mrs. L. S. (Belle) Jasper was flown to Houston Thursday for more treatment for an injury received seven weeks ago when struck by an automobile. Mrs. Jasper was returning home after getting her mail at the post office and was hit as she crossed highway 83.

Mrs. Weldon Ferrell and Mr. and Mrs. Frank Jasper, all of Houston, had been here two weeks with their mother.

Mrs. Jasper was in Hendrick Medical Center before being transferred to Heights Hospital, 1917 Ashland, Houston, Tx. 77008. Her room number is 218 W.

Stretch your energy dollars - install an energy-efficient electric heat pump

A heating system that's more than 200% efficient may seem like something out of the future. But it isn't. It's yours today, with the electric heat pump. Because when correctly installed in a properly insulated home, the heat pump produces two units of heat for each single unit of electricity it uses. The heat pump operates by using the future's most abundant energy source, solar energy. It transfers heat that's always present in sun-warmed outside air into your home during the winter. And reverses the process, pumping heat outdoors during the summer.

If you have plans to buy, build, or remodel, or are looking for a new heating and cooling system for your home, call a local FACTORY CERTIFIED heat pump dealer or talk with WTU. We will arrange for a WTU heating and cooling specialist to contact you. Learn more about the easy-to-install, economical electric heat pump — your most energy-efficient heating and cooling system buy.

Remember REDDY Supplies the energy— but only YOU can use it wisely!

Pipers Edge Stamford, 14-12, In Season Opener

The Pipers opened their football season Friday evening with a 14-12 win over the Stamford Bulldogs but they had to fight off a strong fourth quarter rally by the Bulldogs to win.

The Pipers missed out on two scoring opportunities in the early going before they finally put six points on the board early in the second period. The Pipers came back to score again early in the fourth period to lead 14-0. But this lead did not last long as the Bulldogs put together two back-to-back touchdowns to get within two points of the Pipers in the final quarter.

Both teams were plagued by first game jitters as they had to overcome a number of turnovers. Stamford gave up the ball three times on fumbles and once on an interception while the Pipers lost two fumbles and one interception. Seven penalties for 57 yards also were a problem for the Pipers.

Mike Hymer was the top ball carrier for the Pipers with 72 yards in 25 trips and Bret Medford had the same number of yards in 16 carries for the Bulldogs.

Because of penalties, both teams had to punt on their opening series of downs with Stamford picking up the first first down of the game on their second series. But their

STORY IN FIGURES

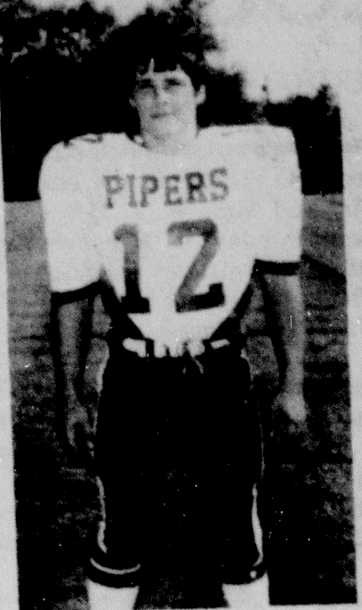

HAMLIN	STAMFORD
15 First Downs	10
166 Rushing Yds.	108
24 Passing Yds.	27

7 for 57 Pen. Yds. 3 for 22	3 for 22
2 Fumbles	3

drive was short lived as Mark Carter sacked the Bulldog quarterback for an eight-yard loss. This forced the Bulldogs to punt again with the Pipers taking over on their own 47.

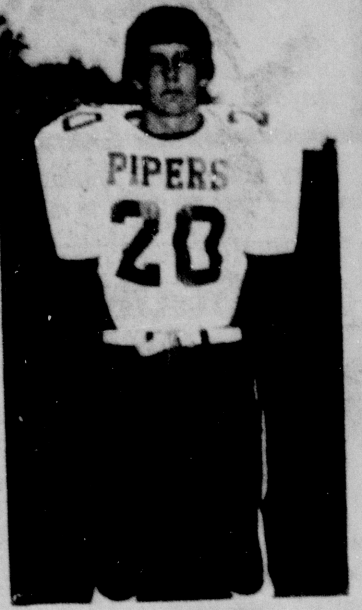

The Pipers drove to the Bulldog five-yard line in 10 plays and were on the Stamford one-yard line three plays later. But on fourth down, Quarterback Drew Tomlinson was dropped for a three-yard loss and the Bulldogs took over on their own four.

Ronald Brown recovered a Stamford fumble on their first play and the Pipers had the ball again on the Stamford nine. A 15-yard penalty put the Pipers back on the Bulldog 20 and four plays later they gave the ball up again, this time on the Stamford 14. The Bulldogs ran two plays before fumbling again with the Pipers recovering on the 19.

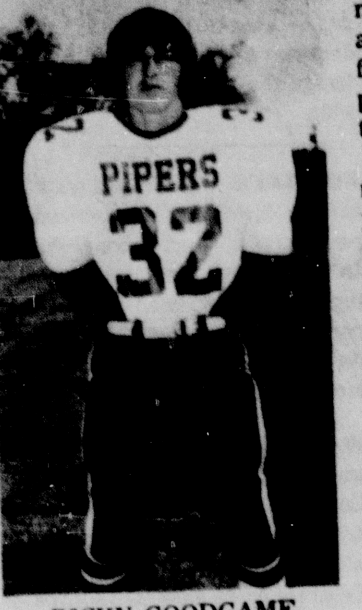

Tomlinson carried for 10 yards to the nine, Hymer added two more and Brown one, before Tomlinson con-

RICKY GOODGAME
senior runningback

ducted with Hymer on a seven yard touchdown pass over the middle. Tomlinson's point after kick was blocked and the Pipers led, 6-0, with 8:29 left in the first half.

Neither team could put anything together for the remainder of the second period and through the third quarter.

Todd Marshall picked off

Ray William's pass to open up the fourth period and returned it to the Hamlin 44. From there, substituting for the injured Tomlinson, Marshall engineered a 15-play scoring drive. Hymer was the top ball carrier in the drive, assisted by John Barrera and Marshall. Marshall scored from two yards out for the six points

and then passed to Tommy Maberry for the two points. The Pipers owned a 14-point lead with 5:27 left on the clock.

The Bulldogs returned the kickoff back to their own 37 and then started picking up big hunks of yardage on the Pipers. Quarterback Aylois Cook picked up 14 yards, Medford 13, Cook passed for

14, and then carried for 14 more. Medford gained four and then Calvin Kelly scored from the one. The two-point play failed with 3:27 left on the clock.

The Pipers' Barrera returned the kickoff back 23 yards to the Hamlin 42. After gaining seven yards in two plays the Pipers fumbled with the Bulldogs recovering on the Hamlin 47.

Medford gained eight yards and then Hamlin drew a 15-yard penalty to put the ball on the 21. Medford was held to a one yard gain and then Cook was dropped for a yard loss, but on third down Cook connected with Medford for a pass good for 21 yards and the touchdown. Going for the tie, the Bulldogs were stopped short of the goal for their two-point, but the Pipers were offside. The attempt from less than two yards out also failed and the Pipers held on to their slim two-point lead with 57 seconds left. Following the kickoff, Marshall just fell on the ball for three downs to run out the clock.

Score by quarters:

TSTI to Offer Several Short Courses This Fall

SWEETWATER—A short course in solar energy and night classes in basic air conditioning and refrigeration and home laundry equipment repair are being offered on the Rolling Plains Campus of Texas State Technical Institute (TSTI).

The solar course, 24 hours

in length, gives training in the installation, maintenance and repair of domestic and commercial solar energy heating and hot water systems. The tuition is \$93.25.

Registration will be Sept. 6-10, and classes will be conducted from 9 a.m. to 4 p.m. Sept. 10, 17, 24 and Oct. 1.

Registration for the two night classes will be Sept. 6-13, with class organization meetings planned for 7 p.m. Sept. 13 in the air conditioning building on the Rolling Plains Campus.

Both courses are 90 hours in length and both will meet two nights a week, from 7 to 10 p.m. Tuition for each course is \$87.50.

Enrollment in the solar course will be limited to 24 students. A minimum of 12 students is required in the basic air conditioning and refrigeration and home laundry repair courses.

Information about the three courses is available by calling, writing or visiting Continuing Education, Rolling Plains Campus, TSTI, Sweetwater 79556. The telephone is 235-8441, extension 40 or 41.

Mr. and Mrs. Bobby Caldwell and Matt of Houston spent the weekend with his mother, Mrs. R. D. Caldwell.

Junior Class Elects Officers, Class Favorites

Vance Lakey was elected president of the junior class during a meeting Tuesday. Elected to serve with him were Mark Carter, vice president; Julie Willingham, secretary; Waylon Collins, treasurer; and Audrey Hart, reporter.

Chosen to represent the class as favorites were Linda White and Kelly Offield.

Andy Lowe and Milburn Wink were chosen as class sponsors and class parents elected were Mr. and Mrs. Jack Willingham, Mr. and Mrs. L. J. Lee and Dr. and Mrs. Joe Don Hymer.

Stephanie Hymer was selected as the Piper Queen nominee for the class.

Purple and gold were chosen as class colors and the yellow rose was picked as the class flower.

Round-Up Challenged To Raise \$150,000 for Rehab Center

Abilene—The 18th annual Cattleman's Round-up for Crippled Children is now underway.

Southwest ranchers and farmers have been challenged by Chairman C. A. "Charlie" Morris to donate enough livestock to raise \$150,000 through the event—with all proceeds going to the West Texas Rehabilitation Center facilities in Abilene, San Angelo, and Snyder.

Entertainer Rex Allen, long-time friend of the Center, and wife Bonnie met with a gathering of 300 persons including area chairmen for CRCC, Rehab Board members, special guests, and their wives last Saturday evening at the kickoff event in Abilene. A new promotional film about the Rehab

Center was premiered at the kickoff dinner.

Allen praised the work of the Center in his brief talk to the crowd: "It has been my pleasure to see this institution grown from treating 20 patients to the almost 5,000 who will be served this year alone. It's the purest charity that I know anything about. It's people taking care of people. It's a shrine to humanity more than a rehabilitation center."

The Cattleman's Round-Up for Crippled Children raises a major portion of the funds required annually to provide, without charge, care for those handicapped from birth, or from accidents and strokes, as well as those with

hearing and sight disabilities.

Very simply, the Center asks cattleman from all over the Southwest to donate livestock or cash. The livestock will be sold in special auctions with the money used to run the Center. The cattle sale is set for September 26, in Abilene, with additional sales for horses and other livestock to follow in October.

Pledges may be made by contacting the West Texas Rehabilitation Center at (915) 692-1633. WTRC field representatives Dannt Isbell and Sonny Dillard will make arrangements to pick up the livestock and haul it to the sales.

Seventh, Eighth Grade to Host Haskell Tonight

The Seventh and Eighth grade teams will open their season here today (Thursday) with Haskell with the first game starting at 5. The Piper Junior Varsity will travel to Haskell tonight for game starting at 7.

The JV's opened their season last week with a 28-0 win over the Stamford Freshmen. Scott Branch scored two of the Hamlin scores and Richie Winegeart and Jim Hall each scored one.

LETTER TO EDITOR Booster Club President Seeks More Support

Dear Editor,
As president of the Pied Piper Booster Club, I want to invite all fans to make it out to our meetings held every Tuesday night at 7:30 p.m. in the high school cafeteria.

Coach Grissom will be showing the films of the previous week's game and all of the coaches will be there to discuss the plays. So come on out and relive the excitement of our fierce hitting Pied Pipers.

Now, come on all you Piper fans, let's stand behind our Pipers and let them know it. After all they are not strangers. When they come off that field and from the showers we might even recognize some of them as our own.

So come on Parents, your children are your greatest asset and they are growing into adulthood faster than we want to realize.

So put a boost in your life, join the Booster Club, for fun, films, good conversation and refreshments. See you next Tuesday, if you're not there you're sure to be missed.

Richard Winegeart

Van Covington To California

Sacramento, Calif.—U.S. Air Force Staff Sergeant Van F. Covington, son of Mr. and Mrs. James F. Covington of Hamlin, has arrived for duty at McClellan AFB, Calif.

Sergeant Covington, an environmental systems repairman with a unit of the Tactical Air Command, previously served at Nellis AFB, Nev.

The sergeant is a 1968 graduate of Hamlin High School. His wife Frances, is the daughter of Mr. and Mrs. Luther Clary of 600 Frederick, Las Vegas, Nev.

National Weather Service—Rainfall Outlook Should Improve In Next 30 Days

COLLEGE STATION—Texas farmers and ranchers can look forward to some improvement in the rainfall situation during the next 30 days, if the National Weather Service is right in its predictions.

Most of the state should get some reprieve from the extended dry weather, say NWS officials. They are calling for above average rainfall in all regions through the middle of September. At the same time, temperatures should remain normal, which means a continuation of generally warm weather. Of course, some relief from the summer heat wave that has plagued much of the state should begin to show up by the first of September as cold fronts start winding their way down from the northern part of the nation.

The possibility of increased precipitation during the next 30 days should brighten the ranching picture considerably, according to the Texas Agricultural Extension Service. Most pastures and ranges are brown and the grass is dry and of poor quality. Supplemental feeding has begun in many counties due to the lack of grazing. Also, stock water is short over much of the state, and some ranchers have re-

sorted to hauling water for their livestock.

Rain in the next few weeks would also boost hay production which has been extremely short this spring and summer, notes the Extension Service. Yields are off as much as 50 per cent in some sections of East Texas. There is a growing concern about adequate hay for this winter due to the short crop and the fact that hay barns were emptied during last winter's severe weather.

Peanuts, soybeans, fall planted small grains, fall gardens and commercial vegetable crops would also benefit from the rainfall, said the Extension Service. Of course, the increased precipitation would delay harvest operations, especially cotton harvesting in southern, central and eastern areas, and grain harvesting in the Plains.

To test your refrigerator door: put a dollar bill on the frame and close the door against it. If the bill drops out, or can be pulled out easily, the door needs adjustment or the gasket needs replacing, says Dr. Carolyn McKinney, family resource management specialist with the Texas Agricultural Extension Service.

District TSTA Workshop Set In Sweetwater Tuesday

Sweetwater—District and local leaders of the Texas State Teachers Association in a 12-county area have been invited to attend the TSTA District XIV fall workshop Tuesday evening, Sept. 13, at Sweetwater High School.

The workshop will run from 5 p.m. registration until adjournment at 9:15 p.m., and will include a dinner meeting.

Teachers are expected from the 15 TSTA local associations in District XIV, which includes the counties of Callahan, Eastland, Fisher, Haskell, Jones, Mitchell, Nolan, Scurry, Shackelford, Stephens, Stonewall and Taylor.

Local leaders will receive information, ideas, and materials, and will provide input for the 1977-78

programs of TSTA. Mrs. Vila Benson, a teacher at Nolan Elementary School in Sweetwater, will be in charge. Mrs. Benson is president of TSTA District XIV.

She will be assisted by other district leaders.

State President Elect Virginia Stacey of San Antonio (Lackland ISD) will be a featured speaker.

TSTA staff members who will provide information are Earl Cantrell and Tom Llewellyn of the Austin office; and Mrs. Jewell Harris of the Abilene regional office.

Mrs. Edith Carter of Mechanicsville, Va., is visiting her niece and family, Mr. and Mrs. L. R. Moyers, in Aspermont. Mrs. Moyers met her aunt in Abilene Thursday.

Mrs. Maude Patterson of Edmond, Okla., and Viola Cunningham of Tulsa, Okla., visited Dora Sandlin, Mrs. Maggie Clements. Others visiting Mrs. Sandlin were Pauline Allen of Ballinger, Mary Lou Parker of Chico and friends from Peacock.

Dub Hallmark Named Lockney Superintendent

W. H. (Dub) Hallmark, son of Mrs. Steve Herring and the late Mr. W. H. Hallmark Sr., has been named superintendent of the Lockney Public Schools. He has been junior high school principal at Lockney for the past eight years.

Assuming his new duties immediately, Hallmark succeeds John Peck who resigned to become superintendent for business affairs of the Plainview School system.

A native of Hamlin, Hallmark graduated from Hamlin in 1955 and received his BS and Masters degrees from North Texas State University. He is married to the former Peggy Briscoe, also of Hamlin, and the couple have two sons, Brent and Todd. Mrs. Briscoe is the daughter of Mr. Floyd Briscoe and the late Mrs. Briscoe.

Before going to Lockney as a teacher and coach, Hallmark taught at Big Spring and Amarillo. Mrs. Hallmark teaches in the Lockney High School.

Steve Campbell Named Senior Patrol Leader

Steve Campbell, Life Scout in the Hamlin Boy Scout Troop, has been elected Senior Patrol Leader for the next six months.

Scoutmaster Sammy Ferguson said this is the second time Campbell has held the highest position a scout can hold in the local troop.

Mitch Lawlis was elected the new assistant senior patrol leader. He replaced Gordon Roberts. Mitch is a star scout.

School Offers New Program For Handicapped Students

Vocational Education for the Handicapped is a new program instituted at the Hamlin Middle School this year. The program is under the direction of Mrs. Carlton Taylor and is designed to benefit students who have academic, socio-economic or other handicaps.

The program will provide

Rites Held Here Wednesday for O.P. Light, 52

O. P. (Red) Light, 52, a retired truck driver and resident of Hamlin for 11 years, died at 11:45 a.m. Tuesday in Hamlin Memorial Hospital.

Services were held at 3 p.m. Wednesday at the First United Methodist Church. The Rev. Howard Marcom, pastor, officiated. Local arrangements were handled by Foster Funeral Home.

A service at 3 p.m. today (Thursday) will be held at Loyd's Funeral Home Chapel in Gilmer. Burial will follow in Lafayette Cemetery in Gilmer.

Born April 15, 1925, in Anson, Mr. Light married Rosie Meister Feb. 9, 1947, in Rockwall. He was a member of the Hamlin Masonic Lodge, a veteran of World War II, and member of the First United Methodist Church.

Survivors are his wife; two daughters, Brenda Janice and Deborah Kay, both of Lubbock; four brothers, Charles of Dallas, William of Gilmer, Carroll of Shreveport, La., and James of Wadsworth, Ohio; three sisters, Mrs. Travis (Mozelle) Bland, Mrs. Austin (Faye) Matthis, and Mrs. Herbie (Betty) Latham, all of Longview.

Pallbearers were Buddy Killion, Richard Young, Robert Pharris, W. T. Johnson, Arlie Cassie and Bill Moore.

students with vocational education that will help prepare them for gainful employment, according to Mrs. Taylor.

Some of the projects to be undertaken by the classes will include various types of handwork. "This handwork is designed to improve student eye-hand coordination and the development of small muscle control," Mrs. Taylor said.

These handwork projects will be offered for sale to the general public at cost, according to Mrs. Taylor. This will be done so that more supplies for additional projects may be purchased. The classes are currently

making strawberry pin-cushions which will sell for approximately 35 cents.

The class is seeking various items from the community to be used by the students in their projects. The classes can use scraps of material, yarn and bits of thread, used greeting cards, old wastebaskets, ring top pulls, old socks, popsicle sticks, old magazines, bricks, empty coffee cans, tissue boxes, empty paper towel rolls and old jewelry, according to Mrs. Taylor.

These items may be brought to room 9 at the Middle School from 8:30 a.m. to 3:30 p.m., Monday through Friday of each week.

AGENT WARNS—

Deadline Near for Pesticide License

Pesticide applicators who use or supervise the use of restricted use of state-limited use pesticides will be required to become certified, effective October 21, 1977, barring further changes in federal or state laws says Jones County Extension Agent, Kirby Clayton.

This certification of applicators is required by the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) as amended in 1972 and 1975.

Persons who own or manage a pesticide application business engaged in the application of restricted-use or state-limited use pesticides to the land of another (commercial applicators) are required to be certified and hold a license. Additionally, a person or government agency or department which wants to use restricted-use or state-limited use pesticides (noncommercial applicators), and who do not qualify as a private applicator must do likewise. These requirements are part of the Texas Pesticide Control Law.

Persons will be licensed by the appropriate state agency as either certified commercial or noncommercial applicators. Certification is based on a written examination administered by the designated state agency. Four state agencies have been identified to certify applicators concerned with four major control areas—agricultural pests, animal pests, aquatic and health related pests.

A number of categories of commercial and non-

commercial applicators have been established by regulations set forth by the Texas Pesticide Control Law.

If you qualify as a commercial or noncommercial applicator and anticipate that you will use restricted-use of state-limited use pesticides, you will want to contact the appropriate state agency to obtain additional information regarding the requirements and your obligations under the new laws, says Clayton.

Applicators working with agricultural pest control should contact David Ivie, Director, Agricultural and Environmental Sciences Division, Texas Department of Agriculture, P. O. Box 12847, Austin, Texas 78711. The telephone is (512) 474-4457.

For applicators working with animal pest control, the agency to contact is Carl R. Watson, DVM, Texas Animal Health Commission, 1020 San Houston Building, Austin, Texas 78701. The telephone is (512) 475-4111.

Applicators working with aquatic pest control should contact David Barker, Texas Water Quality Board, P. O. Box 13246, Austin, Texas 78711. The telephone is (512) 475-5695.

Health-related pest control applicators should contact Bobby L. Davis, Health Program Specialist, General Sanitation Division, Texas Department of Health Resources, 1100 West 49th Street, Austin, Texas 78756. The telephone is (512) 458-7111. (This agency will become the Texas Department of Health on Sept. 1).

Although training is not a requirement for certification, the Texas Agricultural Extension Service—as the educational arm of the U. S. Department of Agriculture—is conducting workshops for persons who may seek a training opportunity as they prepare for the written examination. These Extension workshops are being conducted over the state and are publicized through mass media by district Extension committees located at the Texas A&M University Research and Extension Centers and by local county Extension offices.

Applicators who have questions concerning the Extension Service training workshops—such as dates, location, and categories in which training is to be offered—may wish to contact Kirby Clayton, County Extension Agent.

Mr. and Mrs. Stefan C. Hill are parents of a son, Daniel Esua, 9 lbs., 4 1/4 oz., born Aug. 31 at 4:46 p.m. Other children are Matthew, 5, Joshua, 3, Jacob, 2, and Sarah, 1. Grandparents are Mr. and Mrs. Marlow Corbin and Mary Lee Park, all of California.

Mr. and Mrs. Ronnie Carpenter, Kimberly and Stephen visited Thursday, Friday and Saturday with their parents, Mrs. Margaret Harrington, and Mr. and Mrs. Pat Carpenter in Greenville. While there they celebrated Kimberly's fourth birthday which was Aug. 24.

Arthritis Foundation Says— Arthritis Quack Cures Are A Problem In West Texas

Midland—Arthritis quackery, the old-time 12 oz. bottle of sea water for \$5.00 to "provide blessed relief," is being replaced today by sensationalized reports in the national press of unproven remedies advocated by a few doctors.

Three entirely different arthritis "cures" have had front page banner headlines in the same tabloid publication over a period of 18 months. In each case, one or more doctors have been quoted as saying they have a treatment method which has had wonderful results in hundreds of patients. But in no case, have the claims been backed up by scientific evidence obtained in proper testing to determine safety and effectiveness.

Arthritis victims, particularly those with rheumatoid arthritis, often suffer extreme and unrelenting pain. In their desperate search for relief, they will try anything, no matter how crazy it may sound, no matter how much it may cost.

In addition to sensationalized publicized unproven treatment methods, there are arthritis clinics in Canada, Mexico, and the Caribbean which offer offbeat and sometimes dangerous treatment, attracting most of their patients from the U. S.

Some clinics use slick promotion methods to recruit patients, even arranging periodic charter flights from

points in the states to a clinic location.

All this leads to raising of false hope, sometimes to serious side effects from an unlabeled medication, and to a tragic waste of money.

The Arthritis Foundation studies so-called cures. A panel of rheumatologists investigates, seeks interviews, studies clinic records and approves a reaction statement made in the name of The Foundation. The statement is sent to all Foundation chapters, to patients and physicians and other who have inquired, to all members of the American Rheumatism Association in the U. S., and sometimes to the news media.

The West Texas Chapter has found that this usually stems the tide of frantic questions and unjustified hope but it does not shut off the traffic of patients seeking the "new" treatment even when they have been told there is no proof that it works.

Spokesman for the Chapter pointed out that today there is no cure for arthritis although The Arthritis Foundation is paying for research projects aimed at finding a cure.

The West Texas Chapter has offices in Amarillo, Lubbock, San Angelo, Midland, Odessa, and El Paso where arthritics may obtain free information, literature, the loan of equipment and referral service.

Funeral Services Held Monday for Arnold Johnson

Arnold E. Johnson, 68, retired owner of Johnson Butane and Repair, died at 9:30 a.m. Monday in Hamlin Memorial Hospital after a lengthy illness. Services were held at 4 p.m. Tuesday in the First United Methodist Church.

The Rev. Howard Marcom, pastor, officiated. Burial was in Hamlin East Cemetery, directed by McCoy Funeral Home.

Born Jan. 25, 1909, in Hamlin, where he had lived all of his life. He married Pearl Brewer Dec. 25, 1929. Mrs. Johnson died in 1958. He married Ada Jane Howard Aug. 31, 1962, in Roby.

Survivors include his wife; a daughter Elizabeth of San Antonio; a son, Don of Dallas; a brother, Harold of McAllen; and three grandchildren.

Pallbearers were Lea Farnsworth, Bill Smith, Richard Young, Donald Young, Gerald Young and Jack Willingham.

Services Held Wednesday for Roy Gunter Fields

Funeral for Roy Gunter Fields, 73, of Neinda was held at 4 p.m. Wednesday at Neinda Baptist Church. Mr. Fields died at his home on Route 3 at Neinda Tuesday.

The Rev. Frank Codington, pastor, and the Rev. James Woods, pastor of Central Baptist Church in Aspermont, officiated.

Born Nov. 11, 1903, in Gunter, he was the son of the late Mr. and Mrs. Henry Fields. He attended school at Neinda.

A retired farmer, he moved to Neinda with his family in 1908. He was a member of Neinda Baptist Church.

Survivors are three brothers, Morris of Everman, Wilburn of Lancaster, Calif., and Hillion of Big Spring; five sisters, Mrs. Charles Bisbee, Mrs. Mildred Kershner and Miss Hester Fields, all of Dallas, Mrs. Mable Hornsby

of Everman and Mrs. Rex Kemp of Roby. Burial was in Neinda Cemetery under the direction of McCoy Funeral Home.

Child Care Center Officials Complete College Courses

Elma Ree Crowley and Beverlie Pharris have completed 15 hours of college instruction in Child Care and Development at the Community College Center in Abilene. Mrs. Crowley is director of the Hamlin Child Care Center and Mrs. Pharris is assistant director.

The Community College Center is an extension of Cisco Junior College. Both Mrs. Crowley and Mrs. Pharris are participating in a 30-hour child care training program that will prepare them for a Child Development Associate certificate. They will be taking Creative Art and Music and Principles of Day Care this semester.

Dwayne Wheat Family Moves Back to Texas

The Rev. and Mrs. Dwayne Wheat and daughters, Charla and Brenda, have moved back to Texas from Washington where he was pastor of First Baptist Church in Toldo, Wash., and she was teaching second grade in Winlock, Wash.

Rev. Wheat is attending Southwestern Baptist

Theological Seminary in Fort Worth and his wife Bonnie will be teaching first grade in Mineral Wells. They will reside in Mineral Wells.

The two daughters spent time during the summer with their grandparents, Mr. and Mrs. D. C. Boydston of Jayton and Mr. and Mrs. Park Wheat in Hamlin, while their parents were moving.

Mr. and Mrs. Oran Taylor and daughter Sue Pieson and children, Tim and Melody visited over Labor Day with Mr. Taylor's mother at Shallowater and his two sisters, Mrs. Martin Rice and Mrs. Ray Bailey.

NEWS FROM

OLD GLORY

By BERNICE D. WHITE

Labor Day weekend always brings city folks out here to the country to hunt dove. In years past we only saw these people late in the afternoon, but this year hunting laws have changed, or so we have been told, and we could see them along with a few of our local folk, out with their guns most any time of the day.

Mr. and Mrs. A. B. Cox, whose home and its contents were recently destroyed by fire, were honored by their many friends here in the community and the nearby communities with a shower in the school cafeteria last Friday afternoon. They received many useful gifts as well as cash donations.

One new teacher at Old Glory School joined our faculty Tuesday of last week, a little too late to make the list in last week's paper. She is Miss Katherine Marberger and teaches Kindergarten and first grade. She came here from Pennsylvania.

Mrs. Anita Baldree spent last week in Abilene attending a reading and math workshop in the Abilene Civic Center for migrant aides. The workshop was conducted by the Region 14 Service Center.

Visitors in the home of Mr. and Mrs. Oren Baldree last Sunday evening for dinner were Mr. and Mrs. Jim Kittley and Mr. and Mrs. Sonny Self, all of Rule, and Mr. and Mrs. Mike Baldree and Cris of Abilene.

Labor Day weekend visitors in the home of Mr. and Mrs. Louis Spitzer included their daughter and family, Mr. and Mrs. Don Clayton and Sharon of Fort Worth, and a grandson and wife, Mr. and Mrs. Larry Lehmann of Denver, Colo.

Visitors in the home of Mrs. Katie Gerloff Sunday included Mr. and Mrs. Raymond Gerloff of Abilene, Mr. and Mrs. Gene Gerloff of Lubbock, and Max Gerloff of Aspermont.

Mr. and Mrs. Jerry Callicotte of Midland spent the weekend visiting with their son Guy, and their parents, Mr. and Mrs. Delos Callicotte and Mrs. Adeline Letz. Sunday, Mrs. Jerry Callicotte and her mother, Mrs. Letz, visited with the Callicotte's daughter and husband near Abilene, Mr. and Mrs. Tommy Willis.

Mrs. Adeline Letz spent the week before in Big Spring

with Mr. and Mrs. Thomas Letz and children while Mrs. Thomas Letz was in the hospital recovering from surgery. She is now able to be back at home and her mother, Mrs. C. T. Pierce, is spending several days with them this week.

Tuesday night of last week, everyone in the community was invited to a reception in the school cafeteria to meet the new teachers. And, even though the weather is a little warmer than we would like for it to be, school seems to be getting off to a good start this year.

Visitors in the home of Mrs. Bernice White over the weekend included Mr. and Mrs. C. H. McDonald of Hurst, Mr. and Mrs. Don McDonald of San Angelo, Dean Jameson of Plano, Eva Mae Nash of Lubbock, and Mrs. Adeline Letz.

Junior High Band Elects New Officers

The Hamlin Junior High School band elected officers last week with Mitch Hymer as president; Ricky Woolf, vice president; Susan Watts, secretary; and Sharon Ford, reporter.

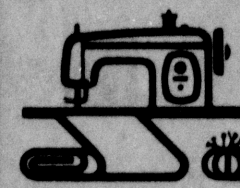

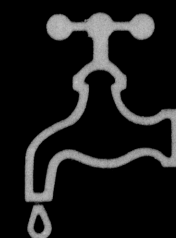

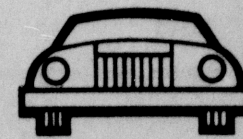

"More light generates more heat," says Claudia Kerbel, consumer information specialist with the Texas Agricultural Extension Service, The Texas A&M University System. Heat adds to the load of the air conditioner, so turn off unnecessary lights, she suggests.

The normal adult pulse beats 60-90 times a minute—more than 85,000 beats a day, reports Carla Shearer, health education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

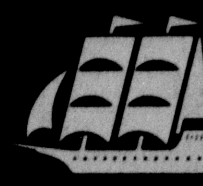

More than 31 million Americans are allergic, says Carla Shearer, health education specialist with the Texas Agricultural Extension Service, The Texas A&M University System. "Allergies can often be helped through treatment," the specialist says.

SWEETWATER SAVINGS

LOANS MONEY TO FIT

YOUR NEEDS AND DREAMS

Needs and dreams . . . all of us have an abundance of both. However, most of us lack an abundance of money to fit those needs and dreams. That's where Sweetwater Savings can help with a low cost installment loan. Your dreams of a new car, a new home, remodeling or repair of your home, appliances, or even a vacation can come true at Sweetwater Savings. See a Sweetwater Savings installment loan officer. After all, he is here to help.

Philosopher Works Up A Deal to Settle the Great Debate Over the Panama Canal

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One joins the squabble over the Panama Canal, from a safe distance.

Dear editor: Because everybody needs something to talk about till the regular football season starts, the month of August was devoted to talking about

the Panama Canal. Fans with losing teams will probably continue talking about it all Fall. The canal is not one of my major worries. I've never been through it and have no plans to. Yet it generates a lot of hot debates. People in favor of keeping it say we built it, we paid for it and it's ours. Others say so what, if the Panamanians want it, let them have it; our

big oil tankers and war ships can't squeeze through it anyway. But in all the discussion I've not heard anybody get to the main point: is it making any money? Do we charge ship owners enough to pay for the upkeep? How many hot checks are we holding from Russian ships going through it? If there are a good many, have we thought of making it coin-operated?

Just because we bought and paid for the canal is not necessarily an argument for keeping it. There are ranchers in this country who bought and paid for cattle three years ago they wish they could get their money back on now. There are city people who bought certain stocks they'd now like to unload on somebody else. Before I make up my mind on the Panama Canal I'd like

to see an operating statement on it. But if the Panamanians insist they've got to have the thing, that they're fully capable of operating it, I've figured out a deal. They can have it if they'll take over Amtrak in this country too. If that doesn't seem quite fair, we could maybe throw in the Postal Service also. What are the prospects for the Pipers this year? Yours faithfully, J.A.

Some classified ads play con games, says Claudia Kerbel, consumer information specialist with the Texas Agricultural Extension Service, The Texas A&M University System. Beware of companies that run "Help Wanted" ads, then charge for training or equipment. Besides not getting a job, you may lose money, the specialist says.
